Dear Dr. He,

I am an assistant professor at the Centre for Development Studies, Trivandrum, India. I have published two articles in the Journal of Asian Economics since 2017 and I am saddened to hear about the fate of it. I request you to reconsider the decision of offering Dr. Wiemer a one-year terminal contract for 2020. I strongly urge you to revert the decision given her continued stride in taking the journal level a notch up.

Thank you,

Dr. Ritika Jain
